

**Electronic Hands Free Roll Towel Dispenser**

**Product Overview**

The TD0235 Electronic Hands Free Roll Towel Dispenser is the smallest and quietest towel dispenser on the market! The TD0235 offers reliable and efficient hands free operation – with a stub roll feature that reduces paper waste.

**Product Features:**

- Economically designed – small footprint, simple operation
- Lower waste with a reliable dispense of an 11" sheet with every cycle
- Automatically dispenses when hand is placed over the sensor
- Includes a stub roll feature, making for more precise control of paper consumption
- "Low Battery" indicator light
- Easy access to battery compartment
- Optional AC/DC Adaptors available (#SP012400)

**More information and images available online.**
